FUNNELS FAQS

"The number one reason for failure in sales is an empty pipe, and the root cause of an empty pipeline is the failure to prospect."

Jeb Blount

HOW MUCH DOES THIS COST AND IS IT WORTH IT?

The one-time investment for one RIA Leads Funnel is \$5,000 up to \$10,000. Is it worth it to invest \$5,000 to earn \$15,000+ in fee revenue...in the first year? That's a minimum of a 329% return on investment. So yes, it is worth every penny!

In fact, we think it's a steal. It's a small price to pay for something that will save you a ton of time and money and consistently get you more clients.

WHAT TOOLS DO YOU USE AND DO I HAVE TO USE YOURS?

It varies depending on the type of funnel we create for you but you will most likely need:

- A landing page software
- An email service provider
- A customer relationship mgmt. tool
- Online calendar
- Questionnaire builder

We use and recommend:

- Leadpages (landing page)
- Drip (email service provider)
- Pipedrive (CRM)
- Calendly (online calendar)
- Typeform (questionnaires/forms)

If you buy through us, we are also able to offer a steep discount.

However, we do NOT require you to use those tools. We are familiar

with a wide variety of marketing tools and are happy to work with any that you're already using or would prefer to use.

HOW DO YOU "CAPTURE" AND "NURTURE" LEADS?

Offering something for free that your ideal client would find valuable (e.g. a retirement planning checklist or webinar), in exchange for an email address allows us to capture "warm" leads (they are interested but not ready to take action yet).

Continuous engagement through email automation then builds a trusting relationship while also nurturing them into setting an appt. with you.

HOW LONG UNTIL I START SEEING RESULTS?

We've seen clients get a 300-500% return on investment in the first year alone.

Every advisory firm is in a different stage, so it really depends on your unique situation. However, you can reasonably expect to see tangible results in about 4-5 weeks.

WHATS INCLUDED?

Setup and integration of all the tools and depending on the funnel, we will create or assist in creating lead magnets (e.g. whitepapers), emails, blog, ad, custom audiences, landing & thank you pages, website offers, webinar registration & event

pages, opt-in texts, and questionnaires.

HOW MUCH OF MY TIME IS NEEDED?

About 4 hours over the course of 2 weeks.

ARE YOUR FUNNELS COMPLIANT WITH SEC REGULATIONS?

Absolutely. Members of our team are former financial advisors and fully understand the critical importance of compliance. We created an efficient, but strict approval process for everything that the public will see. Nothing will see the light of day until you and your compliance department have approved it.

WHAT MAKES MM RIA DIFFERENT FROM OTHER AGENCIES?

For one, members of our team are former financial advisors who transitioned into marketing. So, we have unique insights into what your business needs to flourish. Add that to our decades of marketing experience and we can make any business a success. So you can rest assured we've got the skill set but what's a business without a mission?

Our mission is to build an authentic, trusting relationship with each and every one of our clients. We take the time to get to know you, listen to your struggles, and create the most suitable funnel based on your individual needs and goals.
